Aichi , the Industrial , Historical & Cultural City

The middle of Japan – Aichi prefecture

Aichi is located right in the middle of Japan and it is very accessible place , located halfway between Tokyo and Osaka. It takes 1.5hours to go to Tokyo, and 1hour to Osaka by bullet train. Aichi is the economic center of Japan which leads Japanese economy in various industries. Also there are many famous companies including TOYOTA in the region which boost regional economy.

Toyota Motor Corp.

Cultural City Nagoya

The center of Aichi Nagoya

Nagoya is the third biggest cities in Japan. Living in Nagoya is easier because the cost of living is not as high as Tokyo and Osaka. Nagoya is just the good balance between the convenience of city and pleasant environment. Moreover, since many foreigners are living in this area, an extensive administrative support for foreigners is offered .

Accumulated area of university and vocational school

There are about 90 universities and 100 vocational schools in Nagoya area. Therefore, you can have a large choice of them.

Historical city Chiryu

Historical city Chiryu

Chiryu city located in the central of Aichi prefecture, has been a thriving city of transportation for a long time. Now Nagoya railway with Nagoya line and Mikawa line are the key to traffic. Chiryu city is very convenient city because the price is not high and it takes 15 minutes from Chiryu station to school by walk,25 minutes to bound for Nagoya by train.

Tourist destination

You can visit not only the popular place for younger people, but also the places of scenic beauty and historic interest.

You will have many chances to get experiences of Japanese culture.
